

Science Exhibition Report

Organized by Vijay Memorial College of Education

Date: 26th April 2024

Venue: Vijay Memorial College of Education

The Science Exhibition held on 26th April 2024 at Vijay Memorial College of Education was a grand success, attracting students, teachers, and science enthusiasts from various institutions. The event aimed to foster scientific curiosity and encourage innovative thinking among students.

Inauguration and Chief Guest

The exhibition was inaugurated by Er. Sunil Verma, Controller of Examination, Sardar Patel University, who graced the occasion as the Chief Guest. In his speech, he emphasized the importance of scientific research and innovation in shaping the future. He also encouraged students to actively participate in such events to enhance their practical knowledge.

Exhibition Highlights

Various working and static models were displayed by students, covering themes such as renewable energy, robotics, artificial intelligence, environmental conservation, and space exploration.

A live demonstration of solar-powered devices showcased the potential of sustainable energy solutions.

The biotechnology section presented innovative projects on genetically modified crops and disease detection techniques.

The robotics and AI corner featured programmed robots performing basic human tasks.

The eco-friendly solutions segment focused on waste management and water conservation methods.

Judgment and Awards

A panel of esteemed judges evaluated the projects based on innovation, practicality, and presentation skills. The best projects were awarded certificates and trophies to recognize students' efforts.

Conclusion

The event concluded with a vote of thanks delivered by the Principal of Vijay Memorial College of Education, who appreciated the hard work of students, teachers, and organizers. The exhibition not only provided a platform for students to showcase their talent but also inspired them to pursue scientific endeavors in the future.

The Science Exhibition 2024 was a remarkable experience, leaving a lasting impact on all participants and visitors.

Report on blood donation camp

On January 24, 2025, Vijay Memorial College of Education in Barsu (Bagla) hosted a blood donation camp in collaboration with the State Bank of India (SBI) Nerchowk branch, New Life Line Social Welfare Society, and the Red Ribbon Club of Zonal Hospital Mandi.

The camp was organized by the college's Internal Quality Assurance Cell (IQAC) in partnership with SBI Nerchowk. The event was publicized on social media platforms, including Instagram and Facebook, to encourage participation and raise awareness about the importance of blood donation.

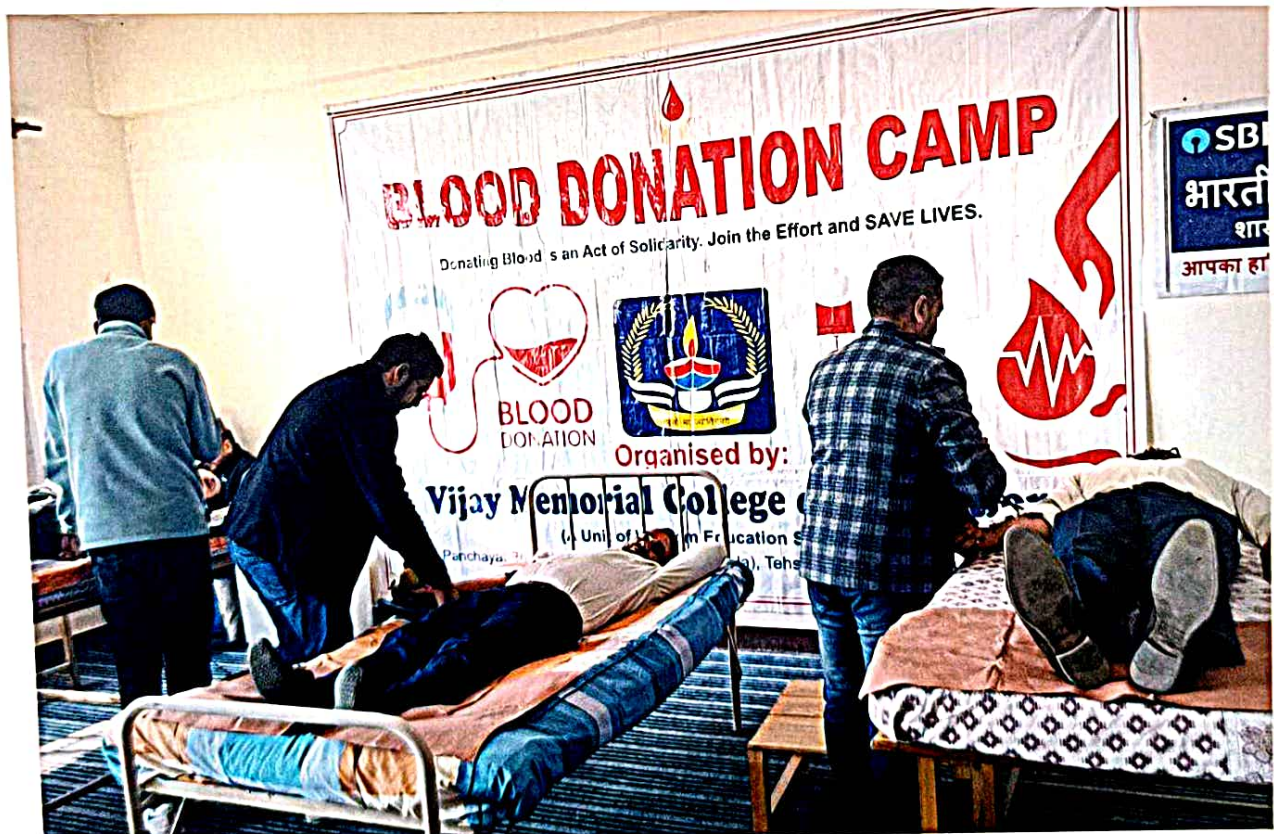

The collaboration between the educational institution, financial sector, healthcare providers, and social welfare organizations underscores the community's commitment to social responsibility and public health. Such initiatives play a crucial role in maintaining adequate blood supplies and fostering a culture of voluntary blood donation.

Blood Donation Camp

Report on Composite Regional Centre Sunder Nagar Visit on March 19th, 2025

Date of Visit: 19th March

Institution: Vijay Memorial College of Education

Number of Students: 200

Accompanying Staff:

Mr. Yogesh Thakur

Mr. Ajay Kumar Rawat

Mrs. Urmila Guleria

Mrs. Ritu

Objective of the Visit:

The primary aim of the visit was to provide students with an in-depth understanding of the challenges faced by children with disabilities and to gain insights into the facilities and services offered at the Composite Regional Centre (CRC), Sunder Nagar. The visit aimed to enhance students' awareness and sensitivity towards differently-abled individuals and the various rehabilitation programs available for their support.

Activities Undertaken:

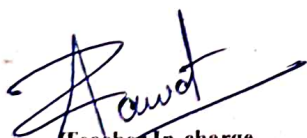

1. Orientation Session: The students and faculty were welcomed by the CRC staff, who provided an overview of the institution's mission and objectives. They highlighted the role of CRC in rehabilitating and supporting children with disabilities.
2. Facility Tour: The students were taken on a guided tour of the centre, where they observed various assistive technologies, therapy rooms, and learning spaces designed for children with disabilities.
3. Interaction with Experts: The students attended interactive sessions with special educators, speech therapists, and occupational therapists who explained the different methodologies used in teaching and rehabilitating children with disabilities.
4. Observing Therapy Sessions: The students witnessed live therapy sessions, including physiotherapy and speech therapy, which helped them understand the personalized care provided to children with disabilities.

Learning Outcomes:

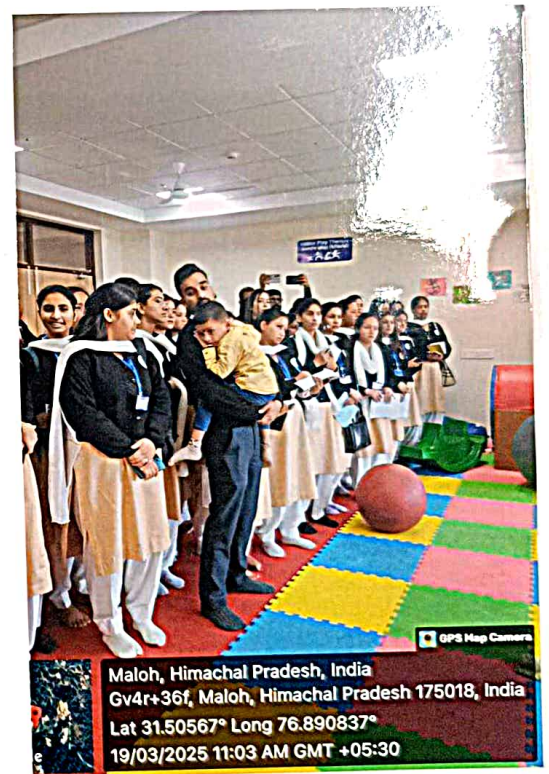

- The students gained a better understanding of the difficulties faced by children with disabilities.
- They learned about assistive technologies and therapeutic interventions used in rehabilitation.
- Increased awareness about inclusive education and the importance of sensitivity towards differently-abled individuals.
- Inspired to contribute towards disability inclusion in education and society.

Conclusion:

The visit to Composite Regional Centre, Sunder Nagar, was an enlightening experience for the students of Vijay Memorial College of Education. It provided them with valuable knowledge about disability management and rehabilitation. The students and faculty expressed their gratitude to the CRC team for their hospitality and insightful sessions. The visit successfully instilled a sense of empathy and responsibility among students towards differently-abled individuals and reinforced their commitment to inclusive education.

Report on quiz competition

Theme: Personal Hygiene and Road Safety

Date: 26th April 2025

Location: Government Senior Secondary School Pairi, District Mandi [H.P.]

Introduction

As part of the ongoing efforts to promote awareness on crucial health and safety topics, pupil teachers at GSSS Pairi organized quiz competitions focusing on Personal Hygiene and Road Safety. These events aimed to educate students on maintaining personal cleanliness and understanding traffic rules to ensure their well-being.

Objectives

- ❖ To enhance students' knowledge about personal hygiene practices.
- ❖ To instill the importance of road safety and adherence to traffic regulations.
- ❖ To encourage active participation and learning through interactive quiz formats.

Organization and Participation

Organizers: Pupil teachers under the guidance of the school faculty.

Participants: Students from classes [9th - 12th], divided into teams of A,B,C,D members each.

Format: The quiz comprised multiple-choice questions, true/false statement, and scenario-based questions related to personal hygiene and road safety.

Rounds: Eight rounds.

Conclusion

The quiz competitions successfully met their objectives by enhancing student understanding of personal hygiene and road safety. The initiative highlighted the effectiveness of interactive learning methods in promoting essential life skills.

Recommendations

- ❖ Organize similar quizzes periodically to reinforce knowledge.
- ❖ Incorporate practical demonstrations alongside quizzes for better comprehension.
- ❖ Engage parents through workshops to extend awareness beyond the classroom.
