

Minutes of Meeting of Research and Development Cell

Vijay Memorial College of Education

Date: 8 November 2024

Attendees

1. Dr. Deepti – Principal cum Chairperson, R&D Cell
2. Ms. Disha Upadhayay – Incharge, R&D Cell
3. Mr. Ajay Kumar Rawat – Member, R&D Cell
4. Mr. Akash Dogra – Member, R&D Cell

Agenda

1. Discussion on aims and objectives of the R&D Cell
2. Review of research initiatives and projects in the college
3. Addition of new members to the R&D Cell
4. Planning for upcoming research events and workshops

Proceedings

1. The meeting began with a welcome address by Dr. Deepti, Principal cum Chairperson of the R&D Cell.
2. Dr. Deepti presented the aims and objectives of the R&D Cell, which include:
 - Promoting research culture in the college
 - Encouraging faculty members to undertake research projects
 - Providing support for research initiatives and projects
 - Organizing research events and workshops
 - Collaborating with other institutions and industries for research purposes.
3. Ms. Disha Upadhayay, Incharge of the R&D Cell, presented a report on the current research initiatives and projects undertaken by the college.
4. The members discussed and reviewed the ongoing research projects, providing feedback and suggestions for improvement.
5. The meeting also discussed the addition of new members to the R&D Cell, welcoming Mr. Ajay Kumar Rawat and Mr. Akash Dogra to the team.

Action Plan

1. The R&D Cell will organize a research methodology workshop for faculty members in the upcoming semester.
2. The cell will also initiate a research project on "Innovative Teaching Methods in Education" in collaboration with other departments.
3. The members will review and finalize the research proposals submitted by faculty members.

Conclusion

The meeting concluded with a vote of thanks to the Chairperson and members of the R&D Cell. The members expressed their commitment to promoting research and development initiatives in the college.

Resolution

The meeting resolved to promote research culture in the college, encourage faculty members to undertake research projects, and provide support for research initiatives and projects.
