

## **Road Safety Club**

The Road Safety Club was officially established in the year 2021 with the vision of fostering a culture of responsible road use and promoting safety among students and the wider community. Our club is driven by the belief that road safety is a shared responsibility, and through awareness, education, and advocacy, we aim to make a positive impact on the community.

### **Objectives:**

The primary objectives set forth during the establishment of the club were to :

1. Educate and raise awareness about road safety among students and the local community.
2. Actively participate in community outreach programs to address specific road safety concerns.
3. Collaborate with local authorities and law enforcement agencies to promote safe driving practices.
4. Engage in creative initiatives such as street plays, poster making, and slogan writing to amplify road safety messages.

### **Evolution:**

Since its establishment, the Road Safety Club has evolved into a dynamic force for positive change. It has grown in membership, expanded its range of activities, and established partnerships with various stakeholders to maximize its impact on road safety within the community.

### **Achievements:**

Since its establishment, the club has successfully organized and executed a series of campaigns, and events that have contributed to increased awareness and understanding of road safety principles. The active participation of club members and the positive response from the community reflects the growing success and influence of the Road Safety Club.

### **Future Goals:**

Looking ahead, the Road Safety Club is committed to further expanding its reach, collaborating with schools in the vicinity and implementing innovative strategies to address emerging road safety challenges. The club envisions a future where responsible road use is ingrained in the community's ethos, resulting in a safer and more secure road environment.

The establishment of the Road Safety Club at Government College Drang stands as a testament to the power of collective action and the enduring commitment to creating positive societal change through education and awareness.

Following are the members elected to the Road Safety Club on 10 June 2024:

**Committee Members:**

Sr. No.	Faculty Members	Role
1	Dr. Deepti	Chairperson
2	Mr. Akash Dogra	Co-ordinator
3	Mr. Yogesh	Member
4	Mrs. Vidya	Member
5	Mr. Kuldeep	Member

## Report on Road safety

The Road Safety Club was officially established in the year 2021 with the vision of fostering a culture of responsible road use and promoting safety among students and the wider community. Our club is driven by the belief that road safety is a shared responsibility, and through awareness, education, and advocacy, we aim to make a positive impact on the community.

On 18th November 2024, Government Middle School, Naulakha organised Road Safety Week 2024 with the help of B.Ed. teacher trainees. Road safety week is celebrated year by year in order to create awareness among the people due to accidents created by rash driving. The event aimed to educate students on the importance of following traffic rules and practicing safe road behaviour. B.Ed. trainees organised declamation, slogan writing, painting competition and quiz competition. All the houses of school participated in this competition. Group-Incharge Mrs. Vidya Thakur gave a guest lecture. She aware students about the Road safety rules. Different kinds of activities were performed by students the whole week. At the end, Headmaster Mr. Ramesh Kumar gave certificates and prizes to the winners in different activities like slogan writing, painting, declamation and quiz competition.

The program was highly informative and encouraged students to be responsible road users. It successfully instilled a sense of awareness and discipline regarding traffic rules, making it a meaningful initiative for ensuring safer roads.

## Guest Lecture on Road Safety

To promote awareness and responsible road behaviour among students, our college's Road Safety Club organized a guest lecture on road safety on 31<sup>st</sup> of January 2025. The session was conducted by Mrs. Vidya Thakur who provided valuable insights into the importance of following traffic rules and adopting safe road practices.

Mrs. Vidya Thakur began her lecture by addressing the alarming rise in road accidents and their impact on individuals and families. She explained how careless behaviour such as overspeeding, jaywalking, not wearing helmets or seat belts, and using mobile phones while driving contributes to major road mishaps. She stressed that road safety is not just the responsibility of drivers but also of pedestrians and passengers.

She elaborated on the importance of forming Road Safety Clubs on educational institutions, where students can take an active role in promoting road safety awareness. By conducting campaigns, organizing poster-making competitions, and engaging in safety drills, students can become ambassadors of road safety in their communities.

To make the session engaging, Mrs. Vidya Thakur included real-life case studies and interactive discussions on common road safety violations and their consequences. The students actively participated, demonstrating their enthusiasm to learn more about road safety.

A special focus was given to the importance of:

- Wearing seat belts and helmets to prevent severe injuries in accidents.
- Following traffic signals and respecting pedestrian crossings.
- Avoiding distractions while driving, such as using mobile phones or listening to loud music.
- Encouraging family and friends to practice road safety.

The lecture concluded with an open Q&A session, where students asked insightful questions about road safety laws, accident prevention, and their role in spreading awareness. Mrs. Vidya Thakur encouraged students to always be alert while on the road and to report any unsafe practices they witness.

## REPORT ON ROAD SAFETY

The road safety club was officially established in the year 2021 with the vision of fostering a culture of responsible road use and promoting safety among students and wider community. Our club is driven by the belief that road safety is a shared responsibility, and through awareness, education, and advocacy, we aim to make a positive impact on the community.

On 26 April 2025 GMS, Naulakha organized Road Safety Week 2025 with the help of B.Ed teacher trainees. Road safety week is celebrated year by year in order to create awareness among the people due to accidents created by rash driving. The event aimed to educate students on the importance of following traffic rules and practicing safe road behavior. B.Ed trainees organized chart making and slogans writing.

A rally was also organized, where we made 4 rows of 24 students included B.Ed. teacher trainees and teachers of GMS Naulakha. They all marched through the school premises to spread awareness about Road safety. Captions of each row and B.Ed. teacher trainees had charts with them, on which different slogans have been written in Hindi as well as in English and they were also chanting these slogans to aware the people about different road safety issues and their prevention.

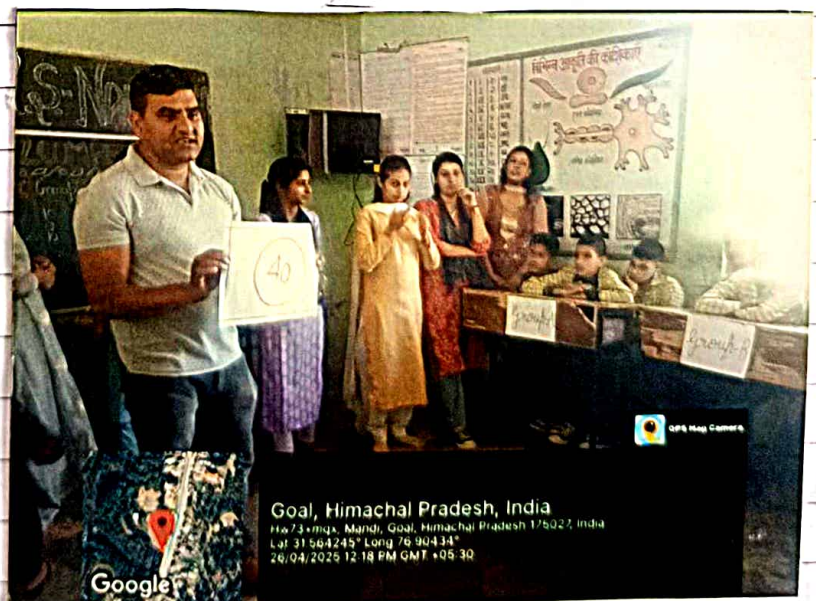

Group Incharge Mrs Vidya Thakur gave speech on Road safety. She aware students about the Road Safety rules. Different kinds of activities were performed by students the whole week. At the End, Headmaster Mr. Ramesh Kumar gave prizes to the winners in different activities.

The program was highly informative and encouraged students to be responsible road users. It successfully instilled a sense of awareness and discipline regarding traffic rules and making it a meaningful initiative for ensuring safe roads.

## Report on Road Safety Awareness Program

Government Senior Secondary School Bagla

Date: 16/05/2025

The B.Ed. trainees of Vijay Memorial College of Education, Barsu, organized a Road Safety Awareness Program at Government Senior Secondary School (G.S.S.S.), Bagla, with the aim of educating students and community members about the importance of road safety and traffic rules.

The program commenced with a welcome speech by the Principal of G.S.S.S. Bagla. The B.Ed. trainees conducted various interactive sessions, including Skits and Role Plays on the consequences of violating traffic rules, Demonstrations on the proper use of helmets and seat belts, Poster Displays and slogans promoting road safety and Quiz Competitions to engage students and test their knowledge about traffic rules.

The event witnessed enthusiastic participation from students, staff, and local residents. Special emphasis was placed on the role of youth in promoting road safety and being responsible citizens.

The highlight of the event was a procession led by students, holding placards with road safety messages, which created awareness in the surrounding areas of Bagla.

In the closing ceremony, the Head of the Institution appreciated the efforts of the B.Ed. trainees and encouraged students to follow road safety norms in their daily lives. Certificates of participation were distributed to all participants.

Overall, the program was a great success and helped instill a sense of responsibility and awareness among the students and community members regarding safe practices on the road.
