Admission Process & Guideline

🎓 Admission Process (Affiliated University & Boards)

- **Eligibility Criteria**: Based on marks in qualifying exams (e.g., 10+2 for UG, graduation for PG). Some universities follow entrance tests **Application Mode**: Online or offline depending on the university. Centralized portals are often used for transparency and efficiency.

-

- **Merit Lists**: Generated based on academic performance or entrance scores. Category-wise and general merit lists are published.

- **Seat Allotment**: Done according to merit, preferences, and reservation policies..

- **Document Verification**: Original documents are verified before final admission. Discrepancies may lead to cancellation.
- **Fee Payment**: Admission is confirmed only after payment of the prescribed fee. Refunds are processed if applicable.

📚 Facilities Provided by Affiliated Colleges

- **Academic Infrastructure**:
  - Well-equipped classrooms and laboratories (especially for science and tech courses)
  - Libraries with journals, e-resources, and study spaces

- **Digital Resources**:
  - Online learning platforms and smart classrooms
  - Access to university portals for academic tracking

- **Student Support Services**:
  - Career counseling and placement cells
  - Grievance redressal systems and mentorship programs

- **Recreational & Wellness Facilities**:
  - Sports grounds, gymnasiums, and cultural clubs
  - Health centers and psychological counseling units

- **Hostel & Transport**:
  - On-campus or nearby hostels with mess facilities
  - University-affiliated transport services in some regions
